## A MESSAGE FROM PASTOR RAYMOND

Welcome to 2020. . .

a year in which you learn to listen to the still small voice of the Holy Spirit who will direct you in all your ways and in all your decisions, in so doing will be sons and daughters of God – Romans 8 v 14

says – “For all who are allowing themselves to be led by the Spirit of God are sons of God”. In all our walk with God we have to be led and directed by God the Holy Spirit. If we fail in this relationship with God's Spirit then our relationship with Jesus is stunted, it will not grow or develop. The Holy Spirit reveals God's Word (The Bible) to us, in receiving His Word in faith, the Spirit is at work in us by interpreting the Bible to us. Faith in that Word brings life and growth. By denying the Word of God puts an end to spiritual growth. You not only remain where you are but in actual fact you move backwards, not a good place to be. So, in progressing with God, let us embrace His Word into our lives and let us live by what God says. This will have tremendous impact into our own world where by which God infiltrates all of who we are. By holding onto a faith that is unwavering, tested and tried, a faith that holds fast regardless of circumstances, a faith that never gives up. Remember Abraham, he took possession of God's promise to make him 'a father of many nations' through his unwavering faith. Listen . . . 20 years, let me say it again, twenty years passed before the fulfilment of God's promise, 20 long years, yet Abraham's faith did not waver. Romans 4 v 20-21 - “But he did not doubt or waver in unbelief concerning the promise of God – but he grew strong and empowered by faith, giving glory to God being fully convinced that God had the power to do what He had promised”. AMP

You say today, “I have faith in God”. You say today, “My faith is growing”. Let me ask you how?

Our relationship to God and to Jesus and to the Holy Spirit is created by one source, which is the Word of God – The Bible. Our faith in God is created or lost by our relationship with His Word. When we read the Bible and we receive into our hearts what His Word says our relationship with God grows. But we should be mindful that it is not just about reading the Bible or reciting bible verses, it is about the Holy Spirit speaking to us as we read the Word of God. As we accept God's Word, God imparts to us faith in that Word which when cultivated in our lives will grow and be a directive force in our lives enabling you/us to walk in God's Way and enabling you/us to make the right decisions.

Learn to hear the VOICE of the Holy Spirit. He is speaking to you today. Do not turn away from Him.

In Jesus Name . . . AMEN.

“So then faith cometh by hearing, and hearing by the Word of God” - Romans 10 v 17
