A MESSAGE FROM PASTOR RAYMOND

Isn't it wonderful to know that God searches deep into our hearts for our good! And, God works wonderfully in us to bring us out of ourselves and into Him. He knows that if we look at our situations and circumstances with a view that nothing will change then He will work a work in us to bring us to a place where we will want to see things differently. Meaning that we will want to see things through God's eyes and we will want to believe that what He says about the situation, He will fulfil. Doesn't this sound wonderful? Maybe to some it may seem too good to be true. But this is exactly how God wants us to see things.

This impotent man although he didn't recognise Christ, it didn't matter at this point, because this man acted on what Jesus said. Learn and listen, and listen well to Christ, for there is healing in His WORDS

John 5 v 8 - 'Jesus looked at him and said "Rise, take up thy bed and walk"'. Now then, who was Jesus talking to? Was it to this man? Remember this man could not walk. So, if Jesus was talking to this man, how would this man be able to respond? To grit his teeth and out of determination try to get up and walk? Pause for a moment. Think about this situation. Maybe you may be in a similar position. There is no doubt about it that Jesus spoke with such power and authority that this man responded instantly. Not only this, but he actually carried out what Jesus had commanded him, he did it. He must have used up every effort and energy of strength that was in him and began to rise up. As he did so movement and strength came into his body. The more he moved the stronger he became. His limbs grew strong. Why? Because as he acted on Christ's Words, God's Healing Power was released and this divine power to heal flowed into his diseased paralysed limbs. If he had ignored Jesus' words or if he heard them but did nothing, he would have remained as he was. But, he didn't.

Lesson number 1 here for many. He acted on Christ's words to him. Have you? When did you respond to Christ's words to you? You know that when you do things change. Impossible becomes possible. All because you act on the word's Christ has spoken. The words that Christ spoke were a command to the disease in his body. Jesus spoke to the disease because, as the healing power of Almighty God flowed through him, it BROKE the POWER of the DISEASE and RELEASED a flow of the life of God into his limbs.

Ask the Holy Spirit to show you that any sickness or disease in your life has a life force of it's own which has come to cause you pain, suffering, disability, and it takes you prisoner. Jesus has been given the power over this and is able to set you free. So, in the Name of Jesus, today and every day, learn to take authority over your sickness and let the Power of God release God's life into you, breaking the power of sickness/disease in your life. In Jesus Name . . . AMEN and AMEN.
