A MESSAGE FROM PASTOR RAYMOND

This week's message brings with it a challenge to all believers and non-believers as to your future. Firstly, tomorrow Monday 6th September at sunset 'Rosh Hashanah' begins. This begins "Ten Days of Awe" which leads us into the Holiest Day of the year 'The Day of Atonement'. This is on September 15th 2021 and ends September 16th at sunset.

Please find for yourself and read in the scriptures all of Leviticus Chapter 16.

We are entering into a very special time in accordance with God's calendar. It is a time which we need to know about, even better if we are able to 'observe' and uphold in our own walk with God. God's seasons matter. We are eager to observe and recognise the seasons in which we go through, Autumn, Winter, Spring, Summer. These seasons contain important truths for us to live by and observe. i.e. for planting and harvest, for holidays etc. So, if the seasons on earth are important how much more are the seasons in God's calendar important for us as believers?

This year is a special year, for this year is God's sabbatical year, which contains spiritual truth that when 'observed' can change your life forever. The message is there, the promises are there, the outpouring of God is real. It is the Year of Shmita which translated is 'The Year of Release'. It is this year where God has promised a demonstration of His bounty and blessing – *Leviticus 25 v 1-7* tells us about this special time which only comes every seven years. It is a year of rest in which God promises that His provision in your life will come from the very hand of God. God will provide, for it is God's time for us to believe God for our provision. A time of Release. This Release given to us from God speaks to us of being released from debts, financial bondage, shortage, from heartbreak grief and fear, release from infirmity, pain and dreaded disease.

God calls us to honour Him at this time. Rosh Hashanah (Jewish New Year). The Year of Shmita, every 7th year, is a time of 10 days that leads us into the holiest day of the year, the Day of Atonement', when we are able to acknowledge the shedding of the precious blood of Jesus for the remission of our sin. The Day when we recall the blood shed at Calvary sprinkled on the Mercy Seat and God accepting Christ's precious blood for the atonement of sin for mankind, meaning, inclusively for you and I and for all who would call upon the Name of the Lord Jesus Christ for the forgiveness of sin. So, God calls us to acknowledge this. *Duet. 16 v 16* gives God's clear instruction as to how we are to position ourselves to believe for this very special season of supernatural release. ". . . . *no one should appear before the Lord empty handed . . .*"

As is the time throughout the Bible, God asks something from us. First then, His blessing of provision, release, salvation, follows. We always have to meet God first with what we are willing to offer Him. First, our lives in submission and surrender to Him and then with the substance that He has blessed us with, and as we offer our sacrificial offerings to Him, God releases His supernatural blessings upon us.

To help you understand this and to experience God in this time, write out what you would like to receive from God, whether it be healing, family concerns, financial insufficiency, spiritual/physical needs. As you make this prayer need request, bring an extra special offering to the Lord. Sow it where you feel God is leading, then watch to see the events unfolding as God fulfils promises to you in this season. In Jesus Name be blessed and be a blessing . . . AMEN.

We shall be opening the Church on Sunday September 19th at 10.30am.

My question to you is "Do you know where you are going when you die and leave this earth?" As a believer your future home is heaven. So what do you expect Heaven to be like? I would like to take you on a journey to find out about 'Heaven' according to the scriptures. If you would like to find out how to be a citizen of Heaven and learn about this 'new home' then please come along for this is for you. An opportunity not to be missed and a time to know more about where you are going. If interested we will be pleased to see you.
