## A MESSAGE FROM PASTOR RAYMOND

We need to ask ourselves what are our priorities? The world is in turmoil, more so now than in any other time of history. Disease has troubled the world, war has become more challenging for the world, our lives are threatened. How are we to respond? We all need certainties in life to be at peace within ourselves. Therefore we need to make peace with God. Jesus Christ came to bring us this peace, peace that the world does not have. Peace with God means yielding our lives to the Lordship of Jesus Christ knowing His death and resurrection for me was not in vain.

Those that once had found a portion of God's peace but sadly chose to walk away from God need a return to Him. It is one thing 'not to know God' but a completely different situation to have once known Him and then turned your back away from Him. In these distressing days those who once knew Him must return. **"Return to Christ today for in Him you will have peace"**.

For those who continue to trust and follow Christ, keep on. Keep looking to Christ for your strength and guidance. Keep trusting, keep believing and more than ever, keep praying. Today our prayers are more important, more needed, more powerful than yesterday. We must pray for our families, our neighbours, our leaders of our nation. We need to pray for this situation in Ukraine and Russia. For the world leaders at large, and as we pray for this we must always keep before God, and in our hearts, that God reigns supreme. This is God's world and His plan is to bring as many as possible to 'salvation' before the end comes. God has a specific plan for this end time era. We need to read and understand the word which God has made available to us regarding His plan and His purposes. The Book of Revelation makes things very clear. It has been written, prophesied such, so that we His children will not be alarmed but that we will be prepared. God has also made through His Word Heaven to be an actual place where those who follow Christ will be able to call Home.

As we face a continual bombardment of a 'peaceful life' on earth, when things we hold close to us are threatened, when a sense of fear and want sweeps over us, where can we turn and to whom can we turn to?  
*"God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed and though the mountains be carried into the midst of the sea. Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. There is a river, the streams whereof shall make glad the city of God, the Holy place of the tabernacles of the Most High. God is in the midst of her, she shall not be moved. God shall help her, and that is right early. The heathen raged, the Kingdoms were moved; He uttered His voice, the earth melted. The Lord of hosts is with us, the God of Jacob is our refuge. Come behold the works of the Lord, what desolations He hath made in the earth. He maketh wars to cease unto the end of the earth. He breaketh the bow, and cutteth the spear to sunder. He burneth the chariot in the fire. Be still and know that I AM GOD. I will be exalted among the heathen, I will be exalted in the earth. The Lord of Hosts is with us, the God of Jacob is our refuge". Psalm 46.*

We do well to give homage to the Lord of Hosts at this time. We do well to kneel before Him and confess His Name. We do well to acknowledge that God is God and He is God over all. Therefore let us pray for His Kingdom to come on earth and for His Will to be done on earth as it is in Heaven.

Take refuge in God today, for He will provide and sustain you in all your needs. Pray for the Church worldwide. Pray for the world at large. Pray also for yourselves and your families, "For He cares for you".  
In Jesus Name - *"May God Bless thee and keep thee, the Lord make His face shine upon thee and be gracious unto thee. The Lord lift up His countenance upon thee and give thee peace".*  
And remember - *"And they shall put My name upon the children of Israel and I will bless them – Numbers 6 v 24-27.*
